Mayor's Message

As we head into fall, I want to reflect on another wonderful summer in Blackfalds. It was great to see so many residents out enjoying community events, supporting local activities, and making memories with family and friends.

We kicked off summer with Blackfalds Days, a beautiful weekend filled with activities for all ages. Youth Night Out was a lot of fun, and Spandy Andy was a hit with our younger residents.

Council's Pancake Breakfast was once again well attended, bringing together residents and returning families who continue to make Blackfalds Days a yearly tradition. The parade, outdoor market and Servus Kids Zone were also enjoyed by many throughout the day.

Thank you to Town staff and volunteers for helping make the weekend such a success. I hope everyone had the chance to spend time with loved ones and create great memories.

Throughout the summer, Blackfalds was also proud to welcome athletes and their families from across the province and country. Sterling Industries Sports Park and Diamonds 5 and 6 were busy

hosting Provincial and National Championships, while the Eagle Builders Centre welcomed lacrosse teams competing at the provincial level. These events showcased our excellent facilities and highlighted the pride our community takes in hosting visitors. I hope many of you had a chance to take in a game and cheer on the athletes.

The Summer Cultural Series was another great activity. Thursday evenings gave residents an opportunity to come together, enjoy some entertainment, and spend time with family and friends.

I hope you had a chance to enjoy all the Abbey Centre had to offer this summer. Whether participating in a program, spending time at the pool, using the fitness facilities, or attending an event, the Abbey Centre remained a busy gathering place for residents of all ages. I also hope you found time to explore our trail system or visit the Parallax Energy Bike Skills Park, both of which saw plenty of activity throughout the summer.

I want to thank our staff and volunteers for all the hard work they did this summer and throughout the year. They help make Blackfalds a great place to live, work, play, and do business.

As summer winds down and we head into the back-to-school

season, please be mindful of our children on the streets. They are excited to get back to school and their daily routines. Please watch for pedestrians as they are crossing the street, and when the school bus has its lights on and stop sign out make sure you stop.

As we return to fall, please check out all the wonderful programs and activities! There are opportunities for residents of all ages to get involved, stay active, and connect with others in our community. Whether you're participating in a recreation program, exploring our trails, enjoying the Abbey Centre, or cheering on local athletes, I encourage you to take advantage of all that Blackfalds has to offer.

Stay connected and up to date with our NEW Town of Blackfalds App, our town website www.blackfalds.ca, and follow the Town on Facebook, Instagram, or X.

On behalf of Town Council, we wish you and your family a safe and wonderful fall season. If you have any questions, concerns, or would like to connect, please feel free to reach out. We always appreciate the opportunity to hear from residents.

BECOME A SNOW ANGEL

VOLUNTEER PROGRAM

Blackfalds FCSS is looking for volunteers to help keep Blackfalds connected during the winter season.

The Snow Angels program matches volunteers with residents who need assistance clearing snow from sidewalks and driveways. A little help can make a big difference in helping community members stay safe, independent, and connected.

DUTIES

- Clear snow from a matched resident's sidewalk and/or driveway after snowfalls
- Help improve accessibility and safety for residents during winter
- Commit to assisting throughout the winter season whenever possible

QUALIFICATIONS

- Reliable and community-minded
- Able to safely shovel snow
- Willing to assist throughout the winter season
- Volunteers must 14 years of age
- Youth volunteers under 14 years of age are welcome with adult supervision

BENEFITS

- Make a meaningful difference in your community
- Flexible schedule
- Great opportunity for individuals, families, youth, workplaces, and community groups
- Help reduce social isolation and support neighbours in need
- Expand your resume and earn volunteer hours
