

# BE WATER SMART

**Sweep outside instead of using a water hose!**

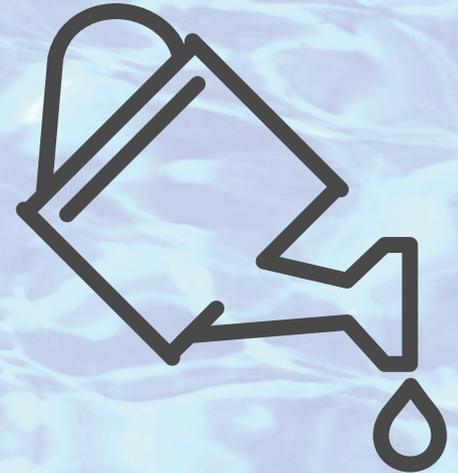

**Watch for toilet leaks!**

**When mowing your lawn, leave the clippings! This helps your lawn retain its moisture.**

**Water your plants during the coolest part of the day.**

**Reduce shower times!**

While there's no need for concern, the Town of Blackfalds, in partnership with the City of Lacombe and local Water Commission, would like to remind you to be mindful of your water usage and do what you can to reduce your usage!
